PERTINENT INFORMATION				
16. <p>5. b. [] has been briefed on the derogatory allegations concerning CASPHERE which were contained in EGFW-15321, 10 June 1963. He found the substance of this dispatch very interesting since he had learned from CASPHERE's personal secretary that CASPHERE had travelled to Poland at least once during WW II. He had found CASPHERE's secretary reluctant to divulge details about this trip and remarked that CASPHERE had not mentioned it to him at all. [] will attempt to uncover sufficient information on this matter through his own research to allow him to ask CASPHERE direct questions about this alleged activity. We will keep headquarters informed as information is developed.</p>
